Core Business Activities

Anhama Trading PLC operates across multiple sectors, leveraging its expertise to meet the evolving needs of Ethiopia's economy. Below are the company's primary business activities:

- ✓ ***Import and Sales of Construction Machinery***

For over 15 years, Anhama Trading PLC has specialized in importing high-quality construction machinery and selling it to both private and governmental clients. This division has solidified the company's position as a key player in Ethiopia's infrastructure development.

- ✓ ***Rental of Construction Machinery***

With 15 years of experience, Anhama Trading PLC offers a wide range of high-quality construction machinery and equipment rentals. Flexible rental options accommodate short-term and long-term client needs, ensuring reliable support for construction projects nationwide.

- ✓ ***Gold Mining Operations***

Recently launched, Anhama Trading's gold mining division diversifies its revenue streams while capitalizing on governmental privileges in the industry. The company is well-positioned to succeed in responsible mineral extraction, adding value to Ethiopia's mining sector.

- ✓ ***Export of Sesame and Coffee***

Anhama Trading PLC exports Ethiopia's renowned sesame and coffee to international markets, delivering high-quality agricultural products to global buyers. This activity supports local farmers and strengthens Ethiopia's position in the global trade of premium commodities.

- ✓ ***Supply of EV Light Trucks***

Recently, Anhama Trading PLC has expanded into the sustainable transportation sector by acting as a sole agent for importing electric vehicle (EV) light trucks Anhama Trading provides eco-friendly transportation solutions by supplying EV light trucks to factories and product distribution networks. This service caters to both private and governmental organizations, contributing to reduced carbon emissions and greener logistics. To enhance accessibility, the company offers 50% bank loan financing to buyers, boosting sales and fostering mutually beneficial partnerships with financial institutions.

- ✓ ***Social Impacts and Community Initiatives***

For over six years, Anhama Trading has demonstrated a deep commitment to social responsibility under the leadership of Habtamu Alemayehu. A standout initiative is Mr. Habtamu's daily provision of nutritious meals to over 200 food-insecure individuals near the city center of Addis Ababa. This act of kindness reflects the company's dedication to improving lives beyond its commercial pursuits. Additionally, Anhama Trading PLC is recognized as a trusted tax-paying entity, reinforcing its ethical standing and contribution to national development.

Previous and Ongoing Projects of the Company

Anhama Trading PLC has a proven track record of supporting Ethiopia's infrastructure development through equipment rental and logistical expertise. Key projects include:

- **Previous Projects:**

Facilitated early progress on the Grand Ethiopian Renaissance Dam (GERD), a monumental hydroelectric project, by renting heavy machinery.

- **Ongoing Projects:**

✓ Chaka Project
✓ Gumuz
✓ Kuraz Irrigation Dam (Amhara)
✓ Megech Irrigation Dam (Sidama, SNNPR)
✓ Kalid Dijo Irrigation Dam (West Arsi, Oromia)
✓ Road and bridge construction enhancing connectivity in Afar, Somali, and Benishangul-Gumuz regions

By providing reliable equipment and support, Anhama Trading PLC has enabled critical infrastructure projects that improve water access, energy production, transportation, mining and overall quality of life. The company remains dedicated to completing initiatives that benefit communities across Ethiopia.

- **Upcoming Projects**

Anhama Trading PLC is poised for growth with exciting projects on the horizon:

- **Luxury 5-Star Hotel**

Set to launch soon in Addis Ababa, this development will redefine high-end hospitality in Ethiopia. The hotel will feature well-appointed rooms, fine dining, recreation areas, and meeting spaces showcasing Ethiopian arts. Adjacent luxury condos will offer residents premium onsite amenities, elevating Addis Ababa's status as a world-class destination blending culture, comfort, and sophistication.

- **Food Processing Plant**

This upcoming project will process crops sourced from local farmers, aiming to reduce waste, enhance food security, and maximize nutritional value. The plant is expected to create over 150 jobs and support farmers by purchasing their products, reinforcing agriculture's critical role in Ethiopia's economy.

Conclusion

Anhama Trading PLC stands as a dynamic, socially responsible leader in Ethiopia's business landscape. With a robust portfolio spanning construction machinery, electric vehicles, gold mining, and agricultural exports, the company is primed for continued success. Its upcoming ventures—a luxury 5-star hotel and a food processing plant—highlight its innovative spirit and commitment to economic advancement. Backed by over 15 years of experience, a strong project history, and a heartfelt dedication to community welfare, Anhama Trading PLC is a trusted partner in building a prosperous and sustainable future for Ethiopia.
